| Polish         | EXCELLENT                                                                                       |
| Symmetry       | EXCELLENT                                                                                       |
| Fluorescence   | NONE                                                                                            |
| Inscription(s) |  LG818611360 |

Comments: As Grown - No indication of post-growth treatment.  
This Laboratory Grown Diamond was created by High Pressure High Temperature (HPHT) growth process.  
Type II

Comments:

**As Grown - No Indication of post-growth treatment**

This Laboratory Grown Diamond was created by High Pressure High

Temperature (HPT) growth process.  
Type II
